User Stories:

Rebecca Marks

As a private contractor, I want to be able to order and eat my food while on the go and have it delivered to different spots, so I can make all of my meetings on time.

New BBQ Restaurant

As a new restaurant, I want to have discoverability and the ability to deliver to people so that I can bring in more customers.

Chandler Yates

As a marketing consultant, I want to be able to try new places to eat with my family so that I can spend more quality time with them.

Fast Food Restaurant

As a fast food place, I want to be able to get food to as many people as possible, so that I can open a second restaurant.
